

## High Speed Color. Fully Networkable!

Designed for your business team.

LBP7750Cdn

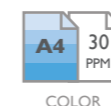

## THE NETWORK COLOR LASER PRINTER YOUR TEAM CAN COUNT ON.

With the LBP 7750Cdn network printer, your business can achieve so much more. Consider its high-speed print engine that offers 30ppm performance in both color and black and white printing. Or the ease-of-sharing with built-in networking capability. It even offers duplex printing as a standard feature, letting you create double-sided document easily. All in a brand new design that combines excellent ease-of-use too. Finally, a color laser printer that your team can count on.

# REDUCE BOTTLENECKS WITH ULTRA-FAST PRINTING PERFORMANCE.

Now you can enjoy a shorter wait for your printouts. Equipped with a highly efficient in-line print engine and a horizontal 4-drum cartridge design, the LBP 7750Cdn sports the shortest paper path for its class. Rated at 30ppm for both color and black and white prints, it's a fast printer any small office can count on.

## QUICK WARM-UP TIME

The LBP 7750Cdn is always ready to print, with its unique On-Demand Fixing technology. With instant heat transfer to the heating element by the ceramic heater, warm-up time is reduced significantly, allowing the printer to produce a faster first print out.

## FAST FIRST PAGE OUT – JUST 10.4 SECONDS

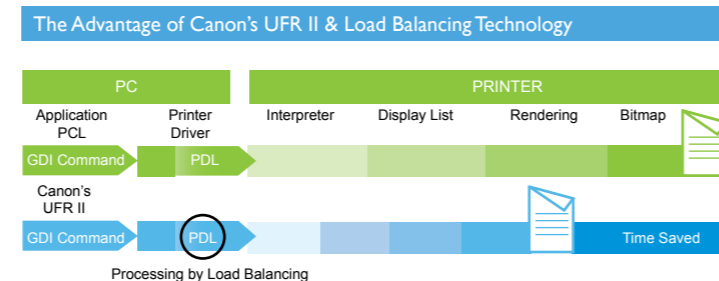

It takes just 10.4 seconds to see the first page of your color print job once printing commences. Just the time saver you need for crucial deadlines.

## EXCELLENT PRINT QUALITY WITH POSTSCRIPT OPTION

With an imaging capability up to 9600 (equivalent) x 600 dpi, the printer is capable of sharp text, smooth curves and crisp graphical reproduction. And coupled with a PostScript 3 upgrade option, the LBP 7750Cdn becomes an excellent business graphic printer.

## ULTRA FAST RENDERING (UFR II)

UFR II, incorporates a load-balancing capability for efficient distribution of data processing loads between the PC and printer. UFR II delivers stable output that is unaffected by variations in process data or print environment, and achieves dramatically increased processing speeds — up to five times faster than conventional architectures.

## BUILT-IN DUPLEX PRINTING ENGINE, AND UP TO 850 SHEETS PAPER CAPACITY

Equipped with automatic duplex printing, the LBP 7750Cdn is designed to save you both time and money when you print double-sided documents. It also comes with a standard 250-sheet universal cassette that holds various paper sizes and paper capacity can be increased to 850 sheets with an optional 500-sheet cassette tray.

# SPECIFICATIONS

MODEL		LBP 7750Cdn
Printing Speed	Color	30 pages per minute <sup>1,2</sup>
	Mono	30 pages per minute <sup>1,2</sup>
	Duplex	27 ipm
Printing Method		Electrophoto method
Fixing Method		On-Demand Fixing
Printing Language		UFR II, PCL5c, PCL6, Postscript 3 (Optional)
Maximum Resolution		600 × 600dpi; 9600 (Equivalent) × 600dpi
First Print	Color	Approx. 10.4 seconds or less <sup>3</sup>
	Mono	Approx. 10.2 seconds or less <sup>3</sup>
Toner Cartridges <sup>4</sup>		Black (5,000 pages); CMY (8,500 pages) Starter Black (3,000 pages); CMY (4,100 pages)
Paper Input	Standard Cassette	250 sheets
	Multi-Purpose Tray	100 sheets
	Paper Feeder (optional)	500 sheets
Paper Size		A4, B5, A5, Letter, Executive, 16K, Custom Paper Sizes (Width 148.0 to 215.9mm; Length 210.0 to 297.0mm)
Paper Output		Approx. 250 sheets
Duplex Printing		Standard
Network Printing		Yes
Operation Noise	Printing	53dB (Sound Pressure)
	Standby	Background noise level
Power Consumption (220 to 240W)	Printing	Approx. 569W
	Standby	Approx. 44W
	Sleeping	Approx. 18W (Default); Approx. 1.7W (Deep Sleep)
Dimension (W × D × H)		517 × 530 × 374mm
Weight (Printer Unit)		Approx. 30kg
RAM Memory		256 MB
Interface	USB	USB 2.0 High Speed
	Network	10Base-T/100Base-TX
Support OS		Windows 2000/XP/2003/Vista/2008 Mac OS 10.4.9 or later <sup>5</sup> Linux <sup>5</sup>

## DESIGNED FOR EASE OF USE

Featuring a 5-line LCD display, you can get operation status such as toner level at a glance, enjoy intuitive menu navigation and even animated instructions on toner replenishment. It also features an easy access front loading design, with fuss free toner replenishment – simply slot in and close the cover.

Intuitive menu navigation

## EXCELLENT ENERGY EFFICIENCY

The power the printer consumes while in Sleep mode affects its overall power usage. The new LBP 7750Cdn draws just 1.7W of power in Sleep mode for excellent efficiency.

## NETWORK READY

The LBP 7750Cdn offers built-in networking which allows easy remote printing via Ethernet network from any PC. Canon network software Netspot Device Installer, Netspot Console and Remote UI are also supported.

<sup>1</sup> The print speed may drop depending on the settings for size, paper type, number of pages printed and fixing mode setting.

<sup>2</sup> If the printer is used continuously for an extended period of time, the internal temperature of the printer may increase, activating a safety mechanism and pausing printing temporarily.

<sup>3</sup> May vary depending on the output environment.

<sup>4</sup> The average yield of the toner cartridges is as follows.

- Replacement toner cartridges
  - Average yield of K (Black) toner cartridges: 5,000 pages
  - Average yield of composite C (Cyan), M (Magenta), and Y (Yellow) toner cartridges: 8,500 pages
- Toner cartridges included with this printer
  - Averages yield of K (Black) toner cartridges: 3,000 pages
  - Average yield of composite C (Cyan), M (Magenta), and Y (Yellow) toner cartridges: 4,100 pages

The averages yield is on the basis of "ISO/IEC 19798" when printing A4 size paper with the default print density setting.

<sup>5</sup> Downloadable from [www.canon-asia.com](http://www.canon-asia.com) when available.

## CONSUMABLES

- Genuine Canon Cartridge 323BK / C / M / Y
- 323II Black (value pack)

## OPTIONAL ACCESSORIES

- Paper Feeder, PF-723 (for additional 250 sheets input)
- Expansion RAM, ER-128A/256A/512A
- PostScript, A-723
- BarDIMM ROM, A-723A
- Hard Disk, HD-723
